CALIFORNIA LEGISLATURE—2009–10 REGULAR SESSION

ASSEMBLY BILL

No. 2682

Introduced by Assembly Member Block

February 19, 2010

An act to add Section 78219 to the Education Code, relating to community colleges.

LEGISLATIVE COUNSEL'S DIGEST

AB 2682, as amended, Block. Community colleges: student assessments: pilot project.

Existing law establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as one of the segments of public postsecondary education in this state.

The Seymour-Campbell Matriculation Act of 1986 requires, contingent on the appropriation of funds for the purposes of the act, matriculation services to be made available by the colleges. The act requires those services to include assessment and counseling upon enrollment, including administration of assessment instruments to determine student competency in computational and language skills.

This bill would include in that act a requirement for the board to establish a pilot project, with specified objectives, that seeks to create a centrally delivered system of student assessment ~~used to be used as one of multiple measures, consistent with specified law~~, for the purposes of community college placement and advisement. The bill would require

the board to convene an advisory committee for the pilot project and report on specified progress by February 28, 2011.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
